

Department of Mathematics

Year of establishment: 1978

Faculty members:

Name	Qualifications	Experience in Years
Manik Tembe	M. A. (1 st Rank), M. Phil., D. C. S. T.	33
M. Geetha	M. Sc.	32
P. S. Kore	M. Sc.	31
Ashiwini Ranade	M. Sc.	28
Shilpa Husale	M. Sc.	8

Workshops/Seminars conducted in last 5 years:

- 1) State level seminar for degree college teachers on '*Challenges in Mathematics Education*'.
Date: 18th Sep. 2011 U.G.C. sponsored.
- 2) Two days state level seminar for degree college students on '*Journey Through Mathematics*' on 27th & 28th Dec. 2012.
- 3) One day workshop with poster exhibition & book exhibition on '*life & Contributions of Bhaskaracharya*' on 8th Jan 2014.
- 4) One day workshop for school students of 9th standard from nearby schools on '*Ganit Vishvachi Safar*' on 10th Feb. 2014.

Certificate course:

Mathematics department is conducting a short term certificate course (12 sessions of 2 hours each) on '*basic Mathematics for Competitive Examinations*'. Two batches of 53 & 57 students have completed this course successfully.

Mathematics Associations :

Mathematics association organises various guest lectures, presentations, origami workshops, Math-logic workshops for mathematics students.

Extension activities :

Mathematics department in collaboration with '*Marathi Vidnyan Parishad*' organises various workshops on mathematics. So far we have organised (i) 8 workshops for high school students (ii) 2 workshops for high school mathematics teachers (iii) One workshop for parents of schoolchildren.

- Prof. Manik Tembe has received a UGC grant of **Rs. 1,00,000/-** for the ongoing research project '*Developing Mathematics Laboratory for high school level*'. She has also written a series of 40 articles on mathematics which was published in news-paper '*Sakal*'.
