Preparing for Masters – MBA CET

MBA coaching was efforts by PNG Section to provide affordable coaching to the student who would like to make their career in the management sector. We in our Acharya College try our level best to further enhance the skill of the student to pursue higher education. The coaching offered at a subsidized rate not only to Acharya college student but also to the student of nearby colleges. We in future will make the college a hub of education where apart from conventional degree, we would also import other additional knowledge which helps the student in the current era.

NCFM Certification.

Getting certified professional for working is crucial task for finance industry. After recruitment of fresh graduate spending time on their certification reduce productive time of corporate, to fill up this gap we initiated NCFM and NISM certification courses at Acharya College. This courses are specially designed to understand practical market scenario. In finance this certification are visa for students. We help to gain industry ready knowledge which keeps them ahead in competition.
